

For God's sake, DO NOT RELAX THE RULES ON OWNERSHIP OF THE MEDIA. It's already in the hands of way too few corporations. It doesn't matter if I read the Chicago Tribune or our Gannet-controlled Rockford Register Star - the national and international news is exactly the same. We don't watch TV or listen to any radio except NPR - for exactly the same reason. America is built upon DEMOCRACY, DIVERSITY and the FREEDOM of differing opinions. Don't limit us even futher.

Thank you.

Sincerely, Karen Howard
